Parade, Game, Dance All Successful For Antioch Homecoming

The senior class won first prize in the annual Homecoming parade October 14 with their float depicting a huge Scotch tape dispenser and the slogan, "Stick to it." The juniors' "Skunk 'em" placed second; and the G. A. A. took third with the wedding scene entitled "We take thee, Fenton."

For the best-decorated student cars Terry Horton won first, and his brother, Dennis received second. Third place went to the junior varsity cheerleaders. Klass' Men's Store, The Record Nook, and The Little Gift Shop won the three prizes for business entries. Judges for the parade were Mrs. Anton Stanich, Mrs. Art Meyer, and Doug Palm.

Rain did not dampen the spirits of the crowd which gathered after the parade at the huge bonfire to cheer the team to victory. Short talks by Albert Dittman, principal; Jerry Meyer, football co-captain; Coach Paul Kessenich, and William Brook highlighted the event.

The Antioch Sequoits beat Fenton High school from Bensenville 30-0 to add to the Homecoming spirit. Halftime entertainment included marching by the Lake Villa Grade School and Antioch High School bands, the traditional victory dance by Chief Sequoit, and the presentation of the Homecoming queen and her court.

A large group of students and alumni witnessed the crowning of the Homecoming queen and king, Jill Camphausen and Jerry Meyer, during the dance after the game. Other members of the royal court were Diane Sheehan and Harve Strameitz, Sandy Tegelman and Francis Dörner, Judy Sheehan and Bob Poulson, and Jill Gaston and Richard Behrens. Music was provided by Bob Vogel's orchestra.

Feather Ball Planned For Nov. 19 by Moose

The annual Feather ball to be held on November 19 at the lodge hall was the chief discussion topic at the monthly business meeting of the Antioch Loyal Order of the Moose Wednesday, Oct. 12. A full dance program with attractive prizes are planned.

The next meeting of the L. O. M. will be next Wednesday and will be a combination initiation of new members and birthday dinner.

State ICPT President Keynote Speaker at McHenry Conference

Mrs. Melvin Lockard, president of the Illinois Congress of Parents and Teachers, will be the keynote speaker when the Annual Conference of District 26 convenes at McHenry Community High School on Wednesday, Oct. 26. Mrs. Lockard comes to us from Cobden, Ill. She has served on the board of managers of the Illinois Congress since 1937. Her years of experience on the board have given her the background to effectively present her topic, "The Role of the P. T. A. in the Community." Mrs. Lockard is scheduled to speak at 8:15 p. m.

Afternoon speakers will be Mrs. R. E. Rosenbacher, of Chicago, recreation chairman of the I. C. P. T., and Mrs. Frank Chmelik, of Joliet, I. C. P. T. publication chairman. "Character and Personality Growth Through Recreation" will be Mrs. Rosenbacher's topic. Mrs. Chmelik will have as her subject "P. T. A. Publications—Use Them." A buzz session with audience participation will round out the afternoon's program.

Mrs. Charles Fago, of Winthrop Harbor, Director of District 26, will call the meeting to order at 2 p. m. and again at 7:30 p. m. The conference affords the local chairmen, as well as members, an opportunity to meet State and District leaders, to discuss local problems, and to learn of new developments in the many phases of parent-teacher work.

Selection of a district director will be an item of business following the report of the nominating committee. Polls will be open from 3:00 p. m. to 7:30 p. m.

Dinner reservations must be made before Oct. 22, with the meals chairman, Mrs. Edgar Nardi, Shammar Subdivision, McHenry.

Bluejackets at Lake Villa
The Naval Training Center Band and the Bluejacket Choir from Great Lakes, Ill., will appear in concerts at 3:00 and 8:00 p. m. respectively in the Lake Villa Grade School auditorium on Saturday, Oct. 22, 1955.

Birth Of A Flag To Be Presented This Even'g

Both educational and inspirational will be the premier showing of 15 different kinds of American flags this evening at the Antioch Grade school. They will be exhibited during a pageant starting at 8 p. m. in the gymnasium. The pageant is the production of Mr. and Mrs. Lloyd Whitney of Chicago, and the flags, with the exception of the present day flag with 48 stars were all especially made for the Antioch V. F. W. post 4551 which is sponsoring the entertainment. There will be no admission charge.

Boy and girl scouts from Grass Lake will take part in the production. The program will be directed by Austin Kersten of the local post, and Mrs. Kersten will serve as narrator.

Antioch Beats Fenton In Homecoming Game, Play Wauconda Next

Sequoits Run up 30-0 Score Against Bisons, Sophs Loss 13-6

Antioch's Sequoits will provide the opposition to the strong Wauconda Bulldogs at a homecoming game there Saturday afternoon after having delighted their own homecoming fans with a 30 to 0 victory over Fenton here Saturday evening.

Wauconda, with Bob Pindozzi, and Jean Jascot as their big threats, has been playing about a half dozen of football as have the Sequoits this year, so Saturday's game should be a good one with Antioch having an equal chance to win.

Through the accurate passing of Al Reckers, who completed 12 of his 17 attempts, Antioch rolled up an easy victory over the Fenton High team from Bensenville.

Six different receivers were at the other end of Reckers' passes. Gerry Huml took four for 40 yards, Frank Walsh took 3 for 51 yards, Chuck Behrendt one for 11, Lonnie Christensen three for 92, Don Schroeder two for 50, and Sid Parker 1 for 2 yards.

Two other touchdown passes to Bill Layton, good for 20 and 19 yards were nullified by penalties. These were in the first quarter and delayed Antioch's scoring until early in the second period when Schroeder scored on a 4-yard end run.

Reckers scored on a quarterback sneak for the second touchdown in the second period and a 42-yard pass from him to Schroeder gave the Sequoits an 18-0 halftime score. A fumble by Fenton recovered by Antioch in the 31-yard line set the stage for the Sequoit fourth touchdown early in the second half with Layton going over from the 2-yard line for the score.

Fenton threatened to score in the fourth period when the visitors worked the ball to the Antioch 22-yard line. Then Layton intercepted a Fenton pass and ran 80 yards for touchdown. The key block was thrown by Parker on the Fenton 30-yard line.

The Sequoits rolled up 361 yards from scrimmage, 256 yards in passing, and 105 yards rushing. Wayne Swanson connected twice in six attempts in passing for a gain of 31 yards.

So strongly did the Sequoits dominate the game, the visitors didn't make a first down until in the fourth quarter.

Considering the fact that Fenton was without its coach, the Bensenville boys played a spirited and hard game, much to their credit. Their coach, Tom Menegrum, died unexpectedly three weeks ago.

Bensenville 13, Antioch 6
In the Frosh-Soph football game, Roger Lang, left halfback, scored Antioch's only touchdown in the second quarter on a run around right end. Fenton, scoreless during the first half, came back in the last half to score in the third and fourth quarters with effective passing and reverses.

Grant 7, Antioch 0
Antioch freshmen lost to Grant freshmen there 7 to 0 Monday afternoon. Grant had a spirited eleven and outplayed the Antioch Frosh for three quarters. Grant's score came in the third quarter on a reverse around right end, good for 70 yards.

The point after touchdown was scored on a similar play around left end. Due to fumbles at least three touchdowns were stopped. Standouts on possible drives on the part of Antioch team were Tom Milowski, tackle, and Chris Davis, guard, both on offense and defense.

Mr. and Mrs. J. J. Rhymer spent the week end with Mr. and Mrs. C. W. Wikoff and family at Urbana.

Antioch Post Host to Legion District, Meeting Friday Night

The Antioch American Legion will be host tomorrow evening to the Tenth District American Legion. It will be the first full meeting to be conducted by the new district officers, and 100 delegates are expected to be present.

Announcement will be made at this meeting of the annual officers school which will be held at Gurnee at 2 p. m. Sunday. The regularly elected officers and the Americanism chairman will attend and receive instruction on the duties of their office.

Commander Woodrow Fisher of Deerfield announced that second division officers recommended by the district had all been elected.

Charles Boyd, Libertyville, was made a junior vice-commander, Henry Hansen of Highland Park was named chaplain; Arthur Reutlinger, Waukegan became service officer; Ed Jahneke, Antioch was named sergeant-at-arms; Bill Sigler of Waukegan was placed on the resolutions committee; and Martin Segal was placed on the credentials committee.

Two Large Buildings at Weber Duck Farm Burn, \$75,000 Loss

LAKE VILLA—Two large buildings at the William J. Weber duck farm at Sand Lake were destroyed by fire Friday afternoon at a loss estimated at approximately \$75,000.

Only 30 ducks were lost in the fire, the employees having discovered the blaze in time to drive approximately 4,000 of the birds from the building to safety.

Twenty-three other buildings were saved. Besides the Lake Villa fire department, firemen from Antioch, Grayslake, Newport and Gurnee gave aid.

The fire was discovered about 4 p. m. by Mrs. Lowell Reiddell, wife of one of the employees. Cause of the blaze is not known.

The Weber family has been in the duck raising business near Lake Villa for many years. Thirty thousand ducks are raised each year. Meat is prepared and feathers processed at the farm.

BOOSTER CLUB FORMED BY TROOP 91 BOY SCOUTS

Mothers of Troop 91 have formed a Booster Club for the purpose of raising funds for camping and some other purposes. A meeting will be held at 8:00 p. m. Wednesday evening at the American Legion home. Officers in charge are Mrs. Lester Chinn, president; Mrs. William Ludford, secretary; and Mrs. George Sterbenz, treasurer. Twenty boys of the troop attended the Fall Camporee, Friday, Saturday and Sunday with their Scoutmasters, Marvin and Ray Glassman, and Camp Master Vince Nauseada. The boys gained an A and three B camp ratings.

Many New Subscribers

Copies of last week's Antioch News which contained the delinquent tax list were sent to non-subscribers with an inducement to them to become members of the News family of subscribers. The result was that 160 new names were added to the paper's mailing list. Many of them are newcomers to the community, coming out from Chicago. Now considering themselves established as Antioch residents they want to know what is going on in the community and find the Antioch News the best and least expensive way of finding out. Every week sees the subscription list grow.

John P. Miller, Antioch Township assessor, was elected secretary of the Lake County Township and County Officials association recently at a meeting in Gurnee. The group passed a resolution recommending to the board of supervisors that a full-time board of review will be established to speed up tax collections.

School Expenditures Printed

Financial reports for three school districts have been published by Treasurer Helen M. Nelson and more will follow. The task of preparing these reports is an arduous one, and Mrs. Nelson says that she will be compensated for her labor if the public will read them. Publishing of public school expenditures is compulsory under the new state law, a bill that was not in any way fostered by newspapers.

Lewis Waterman, 18, Charged with Assault, Freed on \$2,000 Bond

Lewis H. Waterman, 18, of Pe-tite lake, who is accused of attempting to run down Herbert Horton on North Ave., on Sept. 3, was released on \$2,000 bond in county court at Waukegan yesterday.

His trial is set for November 21 before Judge Minard E. Hulse. He is charged with assault with a deadly weapon.

Sheriff's police said that Waterman had been speeding on Antioch streets and when Horton tried to flag him down he nearly ran over the special policeman. Deputy Sheriff Charles Larson gave chase and was seriously injured when the car got out of control near Trevor, Wis. Waterman was later apprehended by State Trooper John Wells, who with a sheriff's squad stopped him on Rte. 59 near Grass Lake rd.

The youth is the same person who eluded Police Chief Water I. Scott in April of 1954 after a 90-mile-an-hour chase into Wisconsin. Scott fired several shots one of which pierced a rear window and became embedded in the upholstery of the front seat.

Waterman was stopped by Kenosha County police and fined \$25 and costs in Kenosha Municipal court.

Assist. State's Atty. Kenneth Shortis is said to have protested Waterman's release because the youth was said to have been on probation from Cook county.

Parents Go To Class At Grade School PTA; Hear Classroom Needs

Attendance Exceeds 200 as Organization Faces a Successful Year

Two hundred and six persons, an exceptionally large crowd attended the Public Grade School Parent-Teacher Association meeting Monday evening, went to classes which their children attend, and in assembly heard a discussion on the need of more classroom space.

Mrs. Richard Eckert presided. Mrs. Marnie Gunter, chairman of the ways and means committee submitted three plans for projects, and a committee was appointed to choose one of these and proceed. On the committee are Mrs. Robert Kolar, chairman, with Mesdames A. Meyerdirk, D. Pierce, C. Gunter, D. E. Francisco, Jr., Robert Mortensen, Leo Ipsen, Lisle Rogers, and W. B. Gillum.

Board of Education members were present and each gave a short talk, touching on the need to plan for additional space for the expected increase in enrollment for the coming years. Parents present were asked to help with a survey of preschool children to help form a better estimate of coming enrollment figures.

Next meeting will be held Nov. 21, at the school auditorium.

Past presidents of the Lake County Firemen's Association will be honored at a county meeting Monday evening at Fox Lake. The event will be attended by representatives of the Antioch department.

Thieves Steal Autos And Abandon Them at Antioch Lake Villa

Car thieves who sought to better themselves through later model cars as they progressed, stole a 1951 Oldsmobile belonging to Wendell Nelson from his home, 704 Main st. Wednesday night, Oct. 12. Nelson recovered it Monday in Chicago where it was abandoned. The glove compartment was pried open and a flashlight stolen, but a set of golf clubs in the trunk was undisturbed.

The thieves first stole a 1949 Buick at Mundelein and drove it to Lake Villa, and stole Frolik's 1950 Oldsmobile. This they abandoned in front of the Dean E. Williams home at 712 Main st. and then took the Nelson car from the driveway next door. The car ignition was locked but a jumper evidently was used to start the motor. It is presumed in each instance the thieves were low on gasoline and took a car with a greater supply.

Lake Villa Youth Gets Second Rape Charge in Grand Jury Bill

Harry Lockman, 19, Lake Villa is being sought to defend himself against a grand jury indictment charging him with statutory rape. Lockman is accused of raping a 14-year-old Libertyville girl whom he picked up in his auto at Diamond Lake on Nov. 1, 1954.

The attractive blonde grade school girl who is seven months pregnant, is in county jail awaiting a hearing on delinquency charges.

She is the girl spirited out of a Chicago founding home Sept. 22, and was surrendered to State's Atty. Robert C. Nelson on Oct. 7 by night club owner Johnny (Pat) Patterson, 48, of Cook county.

Patterson faces a charge of contributing to the delinquency of a minor and is free on bond pending a hearing tomorrow before magistrate Ray Reardon in Waukegan.

Atty. Nelson said that Lockman was implicated by questioning about 10 days ago and a warrant was issued for his arrest. He is believed to be in Chicago.

Lockman and several other youths were arrested last May 31 on charge of raping an Antioch girl. She was unable to testify against them and the case was dismissed.

Rumor in Antioch is that Lockman is now in Alaska and plans to be there for the winter.

Central High School Club Auction

Central Community Club, an organization connected with Salem Central high school, will sponsor an old time auction sale at the school October 26th. Farm produce, canned goods, baked goods, and other home products will be put on the block by auctioneers Ed. Roberts, Marvin Kaddatz, and Urban Eppers. Proceeds of the event will aid a fund for visual education at the school.

Walter Schneider in Hospital

Walter Schneider, Sr., Lake Villa, is in Victory Memorial hospital today as a result of a heart attack suffered early this morning (Thursday). Although his exact condition has not as yet been determined, he is resting easily, according to members of the family who have been allowed to see him today, and is not thought to be in critical condition.

To Take Scholarship Exams

Senior students at Antioch Township High School which have been selected to take the National Merit Scholarship Examination are Robert Cain, Robert Enis, Lenore McCord, Jerry Meyer and Mary Tully. There will be 200 scholarships awarded from national competition giving annual scholarships ranging from \$400 to \$1500, depending on financial need.

Halloween Parade and Party Set for Oct. 31; Prizes for Window Art

Antioch News and Women of Moose Again to Give Awards

Halloween plans for Antioch school children are in the making. They call for an afternoon costume parade and party from 1 to 3 p. m. by all eight grades, and a morning party for the kindergarten children both on Monday, Oct. 31. Prizes again will be awarded by the Antioch News and the Antioch Grade school.

The Women of the Moose again are sponsoring the Halloween painting contest.

Children of the fifth, sixth, seventh, and eighth grades of the public school which has art classes will participate.

Windows of Antioch business places will be used for the art work and the children will use water colors which will be supplied by the school. Pictures and scenes appropriate to the Halloween season will be painted.

Prizes will be awarded by the Women of the Moose for the best painting.

The names of the store windows used for the contest will be placed on slips of paper, and teachers will pick for their pupils what windows they will have to paint.

The windows will be painted on Thursday, Oct. 27, and they will be judged on Friday by Ben Noble, Jane Meyer, and Rose Mary Eckert who were appointed by the Civic affairs committee of the lodge.

Supt. Richard Whitacre said that a complete announcement of the grade school parade and party will be made next week.

The parade will be at 1 p. m. Monday, Oct. 31, and on the return to the grade school auditorium costumes will be judged for prizes. Entertainment will follow.

Both sections of the kindergarten will meet at 9:30 a. m. for their party.

Adult Education Class Enrollment at Wilmot

Registration for adult classes at Wilmot High school will take place at 8 p. m. today.

Classes are offered in agriculture, rug-hooking, clothing, woodworking, public speaking, economics and government, office machines, typing, photography, health and physical education, and farming.

A minimum of six persons is necessary for a class. Classes will meet on Thursday evenings, but at different hours so that more than one subject may be taken. They are scheduled for 7 p. m., and 8:30 p. m., lasting 1½ hours.

MRS. J. W. WISHE, 82, DIES IN CHICAGO

Mrs. Jenny A. Wishe, 82, passed away at the Swedish Covenant hospital, Chicago, at 8:20 P. M., Oct. 18. She is survived by her husband, Frank, a son and two daughters, seven grand children and seven great grandchildren. The Wishe family has lived at Lake Marie, Antioch, for the past ten years.

See Oldsmobile Preview

Employees of the Drije Chevrolet garage and their wives attended the 1956 Oldsmobile show for dealers at the Civic Opera House in Chicago Tuesday. Proprietor Roger Drije and Ray Bruhn attended the afternoon show and Mr. and Mrs. Art Smejkal, Mr. and Mrs. Wally Garver, Mr. and Mrs. Edgar Simonson, and Mr. and Mrs. Gordon Pierce attended the night performance. A preview of the new Oldsmobile was given.

Highway Shoulder Dangerous

Warnings that the shoulders of Rte. 21 are soft and especially dangerous after a rain cannot be taken too seriously. Mrs. Einar Petersen can testify to this as the result of her experience Monday morning. In rounding a curve near Lake Villa she got off the pavement and when she tried to get back on the pavement again the soft shoulder of the roadway caused her station wagon to flip over. She escaped with bad bruises, but the car was badly damaged.

Speed Traps in Waukegan

Perhaps a little warning to Antioch area residents who have occasion to drive in Waukegan that speed traps are being set up in the arterial streets there. Fifty-five persons were arrested in one day. While a new mechanical device permits one patrolman to check the speed of the car, roving patrolmen without any device other than their own speedometer are contributing a large share. Villages of Lake county that have been accused by Waukegan as being speed traps are now snickering.

Economic Highlights

Much is being heard about the agricultural situation these days. Farm income is about 30 per cent down from the towering peak reached during the Korean War. The Democratic high command hopes to make important political capital out of that next year, and Republican leaders have acknowledged that it is a problem to which they are giving intensive attention. The political war will be largely fought over the issue of high rigid farm price supports, as urged by the Democrats, versus the flexible support plan introduced by Secretary Benson and adopted by the Republican policy makers.

As with all political imbrolios, the oratory tends to generate more heat than light. So an objective look at the over-all agricultural picture is in order.

First of all, the basic economic structure on which the nation's farm structure rests certainly seems solid. Agricultural assets are estimated at \$163,000,000,000, including real estate, cash and investments, and other property. Farm debt, by contrast, is only about \$18,000,000,000. Reports from rural areas indicate that farmers are still buying machinery, automobiles, and other commodities on a big scale.

Over the years, the farmer's relative position has greatly improved. In 1915, according to a Nation's Business account, the average farmer made only 33 per cent of the income of the average non-farmer. By 1954 the ratio had risen to 54 per cent. It is still increasing. And, of course, farmers get additional benefits in the form of things they raise and consume themselves.

Coming down to the immediate present, Time magazine has succinctly summed up and analyzed the farm problem. It cites facts and figures, some of which are gloomy. Yet, Time finds, the picture is not as bad as it is painted—and "the price and parity statistics do not tell the whole story."

One thing that is often overlooked is that farmers' incomes shot up much faster and farther than those of other groups during World War II and ensuing years. According to Time, the per capita jump was almost 300 per cent from 1939 through 1951, as compared with 175 per cent for non-farm incomes. Furthermore, Time says, "Historically, farm prices have plummeted at least 50 per cent after the war; in the years since the Korea peak, the drop has been only 21 per cent." And the drop in per capita farm income has been much less—only five per cent—due to the fact that the farm population has heavily declined. To quote Time again, "Farmers who remain have bigger farms, run them more efficiently and are earning enough money to expand still more."

Time marshals some other gratifying facts and opinions, mostly from official government sources. Farm land prices are rising. So are farmers' assets, which now average about \$22,000 a family. And the Department of Agriculture predicts that farm prices have reached bottom, and that there will be little further decline this year.

As for the price support issue, no one knows what the ultimate solution will be. But one thing is sure—the cost to the taxpayers, a classification which includes farmers along with everyone else, is enormous. The government spent \$2,100,000,000 a new high, in supporting these prices in the last fiscal year alone. And the total expenditure in crop buying and loans has reached \$7,000,000,000.

Grass Roots Opinion

NEWBERRY, S. C., OBSERVER: "The greatest danger facing Americans today, discounting foreign aggression, is the insidious expansion of the powers of our central government and the gradual but obvious lessening of the powers of the individual states."

PAMPA, TEX., DAILY NEWS: "We are tremendously benefited by every new labor saving device. By this means, we are able to multiply our individual human energy to the point where one man plus tools, can produce things that many men require."

KINGSLEY, IOWA, NEWS-TIMES: "Some members of Congress are firmly convinced that lower taxation for corporations are essential to encourage industrial expansion essential to meet the nation's future needs. . . . Taxes necessarily are added to the price paid by the consumer for the products corporations manufacture."

LAKEVIEW, ORE., EXAMINER: "The well being of the people lays along the road of profit and business and the people's continued control over government. It does not lay along the road of big government, and government control over the people."

We're in Luck

How many Americans, in their day-by-day shopping in lavishly-stocked retail stores ever seriously think about the system that makes all this abundance possible?

That system is called by various names—private enterprise, capitalism, a competitive economy, and so on. Regardless of semantics, it is based on just one thing—freedom. Producers are free to make what they like, retailers are free to stock what they like, and the consumer is free to buy what he likes and where he likes.

We take all this for granted. We know that some conveniently-located store will have on sale whatever we happen to want at the moment, and at a reasonable price which is held down by competition. But we wouldn't take it for granted if we could see, at first hand, what the situation is in countries where these freedoms don't exist, and the government owns, operates, or in some way controls everything.

Columnist Martin S. Hayden recently wrote about what communism has done to living standards in Czechoslovakia—a country which, before it was communized, was among the most prosperous and advanced in Europe. The average Czech worker has a monthly take-home pay of about 900 crowns. This will buy the bare necessities, but little else. For, in Prague, a seven-inch screen TV set costs 2000 crowns, a pound of coffee 109 crowns, a small car 27,000 crowns (30 months pay!) and a two burner hot plate 560 crowns. Mr. Hayden adds that housewives queue up at five in the morning in the hope of getting a piece of meat.

A sure fire reflection of any nation's living standards is found in its retail stores—in the range of goods offered and the prices charged. We Americans, with our free system, are the luckiest people on earth.

The best driver is the defensive driver. The Chicago Motor Club reports drivers who anticipate the actions of other motorists are less likely to have an accident.

A big part of a man's religion consists in getting along with other people.

On Sunday, Nov. 6, a series of evangelistic meetings will begin at the Community church and continue each evening from Nov. 6 through Friday, Nov. 11 to emphasize the habit of spiritual life in the families of the church, and the commission of evangelism is in charge.

Circle No. 2 is sponsoring a Swiss steak dinner at the church on Wednesday evening, Oct. 26 and a sale of hand made articles will be held in connection, so plan to attend.

The Lake Villa fire department held a dinner at the fire station last Saturday night in honor of all who helped at the carnival in August. The group had a splendid time at the fine dinner and at the dancing which followed.

Mr. and Mrs. Joe Nader, Jr., and children enjoyed the week end at their cottage at Chetek, Wis.

Mr. and Mrs. Arthur Seekatz of Petite Lake road entertained the family and friends at open house at their home on Sunday afternoon from 2 to 5 in celebration of the golden wedding anniversary of Mrs. Seekatz' parents, Mr. and Mrs. Mads V. Madsen of Gurnee, who have lived in Lake county for a number of years.

Mrs. Mabel Jones of Venetian Village left Monday for Florida to spend the next few months as she does every year.

Mrs. Lillian Barron and Mrs. Belle Shanks of Grayslake and Mrs. Jennie Harms of Grafton, Wis., called on Mrs. Paul Avery, Sr., last Saturday. They had been former classmates at Grayslake.

Mr. and Mrs. J. O. Hucker spent last week at Detroit, Mich., attending a Postmaster's convention.

Mr. and Mrs. John Hammond and children, who have been living in the Peterson flat over the Dalgard store, have purchased a home at Indian Hill near Round Lake and moved there recently.

Mrs. Herbert Fischer entertained a number of ladies at a plastic demonstration at her home on Petite Lake road last Tuesday afternoon.

Mrs. John Perry has gone to Cadillac, Mich., to spend a few days with relatives there.

Mrs. Cecile Blumenschein, Mrs. Marjorie Helm and Mrs. Matilda Bartlett entertained the members of the Royal Neighbors Officers club at a luncheon at the Blumenschein home on Burnett ave. on Wednesday afternoon of last week.

The Pinochle club met last week Tuesday afternoon with Mrs. L. J. Tweed at her home at Monaville for potluck luncheon followed by games of pinochle during the afternoon.

Mr. and Mrs. Herrold who have been living on the Haerther estate for some time, moved last Friday to Lake Forest where Mr. Herrold is employed, but they expect to spend the winter in Florida.

Mr. and Mrs. B. J. Hooper, their

daughter, Mrs. Edward Langbein, Sharon and Chuck, spent last Friday in Chicago.

Mr. and Mrs. Lyle White of Galena came Saturday to visit Mrs. White's sister, Mrs. Russell Nickerson and family over Sunday, and attended the shower in honor of Mrs. Ronald Nickerson on Sunday at the fire station. A baby daughter was born to Mr. and Mrs. Nickerson on Friday afternoon at Victory hospital, so congratulations are in order for the Russell Nickersons as grandparents as well.

Fire of undetermined origin leveled two buildings at the Weber Duck farm last Friday causing heavy loss, partially covered by insurance. A quantity of feed, machinery, etc., was saved from the buildings, but only a few ducks were lost. The local fire department, assisted by neighboring departments could do little except save adjoining buildings. The farm was started in 1911 by Wm. Weber who came from Massachusetts, and was grandfather of the present owner, Wm. J. Weber, Jr., and has grown to be a big business. Plans are being made to rebuild as soon as possible.

Mrs. William J. Weber, Jr., gave a neighborhood miscellaneous shower at her home Friday evening for Sue Weber whose marriage to James Holcomb of Chicago will take place on Saturday, Nov. 5 at the Community church. Plans had been made so it seemed best to go on with the party. Mr. and Mrs. Don Summers also entertained a group at The Country Squire recently for Miss Weber and it was a linen shower.

Mr. and Mrs. Richard Whitaker of the Weber Duck farm who have been visiting relatives at Wrentham, Mass., for the past three weeks came home this week and will assist in the rebuilding program.

"LITTLE BILL" says:

"I run these
electric helpers
for just pennies!"

For less than 1/2¢—electricity will fry
6 eggs and 6 strips of bacon, too,
in your new electric frying pan.

Roast chicken—that's crisp
and brown all over and tender and
delicious inside. Cooked in an electric
rotisserie for 6¢.

Costs only a penny—to let electric-
ity whip up 12 cakes for you. And
electric mixers blend the batter
better and quicker.

How Public Service Company
keeps your electric bill down
(while everything else goes up)

Just as your cost of living has
doubled, so have many of our costs.

For example, some of our electric
poles now cost almost 3 times as
much as they did 25 years ago. Ordinary
underground cable now is
twice as much. And weather-proofed
copper wire—almost triple.

Increases in cost have been more

than offset through economies in
the actual production of power. In
fact electricity now costs less per
kilowatt-hour than it did in 1930.

So today, although you're using
far more work-saving electricity
than 25 years ago, you're getting a
lot more for your money—almost
twice as much, in fact.

SOCIETY EVENTS

Antioch Woman's Club Hears Readings Given By Mrs. Alice Ulrich

Alice Ulrich, dramatic impressionist of River Forest, entertained the Antioch Woman's club with impressions of people, places and moods, Monday afternoon at the Scout home. She gave a varied program which began with a cutting from Maxell Anderson's "Elizabeth, the Queen." Among other impressions were how not to cheer up a sick friend, how a businessman might make a dinner date by phone as opposed to methods used by a deputante, how a thoughtless young matron might act at a club luncheon and how a club treasurer, problem, might disrupt a meeting.

Refreshments were served following the program by Mrs. Arthur Smejkal, assisted by Mesdames Joseph Horton, J. E. Dompke, B. R. Burke, Fred May, Herman Rosing, Gust Mantis, Dudley Kennedy, R. Whitacre, and M. C. Cain.

A musical program will be presented at the next meeting, Nov. 7, which will feature Myra Seifert, pianist, and Larry Copithke, tenor. Mrs. Edward Jahnke and a committee will have charge of refreshments.

Cullens to Observe 52nd Anniversary

Mr. and Mrs. A. E. Cullen will observe their fifty-second wedding anniversary tomorrow (Friday) at the home of their daughter and son-in-law, Mr. and Mrs. Lawrence Lang, Rte. 4, Lake Catherine.

Mr. Cullen is a retired railroad machinist and both he and Mrs. Cullen have been residents of the Antioch community since 1951.

Mr. and Mrs. A. E. Cullen

Other children besides Mrs. Lang are Sister M. Patricia, O. S. F., of Milwaukee; Sister M. Hilariion, O. S. F., Roselle, Ill.; and John Cullen of Ithaca, N. Y.

Owing to the fact that the family is widely scattered, the Cullens will observe their anniversary quietly, with just the Lang family present.

Methodist Children Will Seek Halloween Gifts For Aid to Indonesians

To provide penicillin for children of Indonesia who are suffering from yaws, a skin disease, and to other needy children abroad, children of the Antioch Methodist church will for their second year go to the doors of their neighbors for Halloween time contributions. The aid abroad will be supplies through the United Nations Children's fund.

Sunday, Oct. 30 is the date which has been set and children will receive their containers at Sunday School that morning. Last year \$150 was collected in Antioch for the fund whose aim is to give hope for a better world through medical and nutritional aid to 90 underdeveloped countries of the world.

The High School Methodist Youth Fellowship became better acquainted with the accomplishments of UNICEF on Sunday evening when they viewed a film strip about it. Intermediate young people will see a movie about it on Sunday afternoon.

Mrs. Donald Cramer is in charge of local arrangements for this sharing of "treat" and will have the help of the Evening Circle in carrying out the project. Children will return to the church at 7 p. m. on Oct. 30 to turn in their donations and enjoy a Halloween party.

Mr. and Mrs. Frank Stieber and children, Rejoice and Jackie, of Felter's subdivision returned home recently after a two weeks vacation trip to the west coast. While in California they visited Disneyland and from there they traveled to Mexico, then to Phoenix, Ariz., where they visited with the Dom Diorio family, former residents of Felter's subdivision. The trip consisted of a circle which covered 14 states and Mexico. The consensus of all four when asked what was the occasion was the beauty of the mountains.

MRS. NODDIN HOSTESS TO W. S. C. S. LUNCHEON

Mrs. David H. Noddin was hostess at a luncheon at her Channel lake home Wednesday for the Women's Society of Christian Service. A business meeting followed the luncheon.

Kugles Arrive Home Tuesday
Mr. and Mrs. Ed. Kugle of Indian Point, Fox lake, arrived home Tuesday after a five-week vacation which took them through the north-west, California, the southwest, and the south, with a two-week stop over at Mountain Home, Ark., where they visited an uncle of Mr. Kugle's, James Hrach. They report that fishing was good in Norfolk lake, but that bad weather kept them in more than they would have liked. More than 7,000 miles were covered in the trip.

Parents of Son
Mr. and Mrs. Bill Chase of Channel Lake are the parents of a baby son born Monday, Oct. 17, at Woodstock Memorial hospital.

Mr. and Mrs. Aretas Keulman are spending a vacation, traveling through the southwestern states. They will also visit Florida before returning to Antioch.

Mrs. Dudley Kennedy entertained members of her bridge club Tuesday evening.

As advertised in Charm

"THE COAT OF GUARANTEED QUALITY"

LASSIE

\$49.95

I love a Lassie... so perfectly crafted into fashion's latest dictate - the straight line silhouette. The fabric is Chinchilla cloth presented in a style that pretends to be notched at lapel and pocket, and features an inverted pleat and half belt in the back. The colors are many in sizes 8 through 18. And remember... the lining of every Lassie is guaranteed for the life of the coat.

'56 Chevrolet sets new Pikes Peak record in top-secret test!

Not long ago a hush-hush, camouflaged '56 Chevrolet scorched the nerve-breaking road up Colorado's Pikes Peak for a new NASCAR* certified record—the first time that old King of the Mountains has seen a new official stock car record in years! And what a road! 170 chilling turns and no guardrail! It's the first and only time a new model ever proved itself such a great road car before its introduction! The '56 Chevrolet showed the kind of performance that makes driving safer and more fun. So wait for the car that beat the King of the Mountains!

Announcing the Fabulous '56 Pontiac

THE STAR CHIEF 4-DOOR CATALINA

**Introducing A BIG AND VITAL
GENERAL MOTORS
"AUTOMOTIVE FIRST"!**

A new Strato-Flight Hydra-Matic—coupled
with Pontiac's 227-H.P. Strato-Streak V-8—
results in performance so new and dramatic
it must be experienced to be believed!

With all that's newest in glamour—and all
that's greatest in "go"—the fabulous '56
Pontiac now awaits your hands on the wheel.
And when you drive it, you will get the
biggest thrill in all your motoring experience...

... because this car is really loaded!

The big and vital General Motors "First",
which heads its long list of look-ahead features,
unites the two most advanced high-performance
developments in the industry...

1. An all-new, big-bore Strato-Streak V-8 that
puts 227 blazing horsepower at your toe-tip.

2. A completely new fluid-smooth Strato-Flight

Hydra-Matic* that delivers this terrific "go"
with a smooth surge of power at any speed.

You now sweep swiftly from take-off to top
performance with the silent ease of a sailplane.

You slow down for traffic, speed up for pass-
ing, or gun for a high hill with the changing
pressure of your toe on the accelerator the only
sign of effort.

You may have had it smooth before—but
never like this! Here's action so different it
literally must be experienced to be believed.

That's plenty—but there's much more news
to make this a date that you'll long remember.

There's smart, new beauty and luxury for
America's most distinctive car... the safety of
big improved brakes... the security of a smooth
new ride and sure-footed cornering.

There are many, many other things which
mark this beauty as the glamorous pattern
for tomorrow's cars. But come in and see for
yourself. Take a long look at the six luxurious
new Four-door and Two-door Catalina hard-
tops. Sample, in person, the fabulous results
of the great new General Motors "First".

Sure as you enjoy thrilling action, here's your
next car!

*Optional at extra cost.
